Did you get into law enforcement to make a difference? The Salinas Police Department is where you can.

Patrol, investigations, gang intelligence and enforcement, youth programs, community outreach and more — everything we do is important, and we can see the difference it makes.

Then there are the other rewards:

- Competitive pay & benefits
- Extra pay for special assignments, language skills and detective on-call
- Rotating 4/10 schedule
- \$20,000 signing bonus.

Here's what we're looking for:

- Possession of a POST certificate
- Good to excellent employment record
- As a big plus, Spanish skills
- The desire to make it matter.

If that sounds like you,
we'd like to talk.
